

Why choose

CITY OF Crestview Hills KENTUCKY

for your business?

Conveniently located along Interstate 275, a short distance from the I-275/I-75 Interchange and in close proximity to the Cincinnati/Northern Kentucky International Airport; Crestview Hills has proven to be a smart choice for businesses over the past 30 years. With over 300 businesses located throughout Crestview Hills, it is no wonder that our combination of low taxes, responsive and high quality services, and ideal location attract a number of companies to Crestview Hills.

Since incorporation in the 1950s, Crestview Hills has experienced steady growth. When the Thomas More Research Park was initiated in the 1980s, business growth took off as companies like **Columbia Sussex Corporation**, **St. Elizabeth Physicians**, **DBL Law**, **Waltz Business Systems**, and **Huntington Bank Operation Center** have now headquartered in Crestview Hills. Other major employers in the area have also expanded into the Research Park including **Cincinnati Children's Hospital** and **St. Elizabeth Health Care**.

Moreover, many retail companies have taken notice of this development and moved to the redeveloped Crestview Hills Town Center. Opened in 2006, this upscale retail lifestyle center continues to be the destination point for diners and shoppers in the Northern Kentucky region. Few cities in the region our size can boast of such a diverse landscape; including an active business and retail sector, heralded college, recreational amenities, and highly livable neighborhoods.
